Dear Simon

**Thank You**

I am writing to thank you for the way you have managed the letting of my property in Oxford. For the past 5 years you have provided an extremely efficient and professional service. As a result, the letting of my property has been stress free. My tenants have just renewed for another year. Under your management my property has been let for 5 years with just 3 days of voids – you really are the better letter!

You have won my trust and confidence with the quality of the service you have given to me over the years. I have absolutely no hesitation in recommending your services and do so whenever the opportunity arises.

Yours sincerely
